Product specifications

- Clients like to have food security from production to the sales counter – Clients in front of the counter like the same! In production, the wearing of gloves is obvious. There, where someone gives the product to the client, this rule is broken. Foodstuffs are touched without any protection. Clean Hands[®] is therefore the most efficient possibility to close the hygienic chain: Hands are the main carriers of all kind of germs. Money and food are touched in a fast sequence at the counter. Clean Hands[®] is very easy to handle and very comfortable. By wearing Clean Hands[®] a contamination of the food is avoided. The client in front of the counter can be sure that he gets a proper product. Whom it may concern: • Bakers' • Supermarket and food shops • Bars, pastry shops • Greensgrocers' • Fish shops, etc. Ceux qusont concernés: • Boulangers • Supermarchés et magasins d'alimentation • Pâtisseries • Commerces de fruits et légumes • Poissonniers, etc. Los que son interesados: • Penederías • Supermercados y tiendas de comestibles • Bars y pastelerías • Tiendas de hortofrutícolas • Pescaderías, etc.
