Product name:	Blisters
Article number:	V000JE
Size:	040-040-024
Product code:	IT
Design:	925
Cardboard:	-
Printed:	-
Processing:	-
Window material:	A-pet
Glue:	-

We declare that the aforementioned products are in conformity with the following regulations.

Regulation EC no. 1935/2004 of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food and repealing Directives 80/590/EEC and 89/109.

Regulation EC no. 2023/2006 of 22 December 2006 on good manufacturing practice for materials and articles intended to come into contact with food.

Directive 94/62 EC of 20 December 1994 on packaging and packaging waste.

A declaration that all to us delivered products are registered according to the REACH decree 1907/2006/EC.

The applied window material complies with the below regulation.

Regulation (EU) no. 10/2011 of the Commission of 14 January 2011 on plastic materials and articles intended to come into contact with food.

Concerning Specific Migration Limits, based on "worst case" migration tests, the SML's should not be exceeded on the use of the above mentioned material in food contact applications. No use has been made of a "dual use additive".

The window material is multi layered.

### **Type of usage:**

The inside of the packaging is suitable for long-term contact with dry, acidic and greasy food products at a temperature of -20°C to room temperature.

### **Storage and transport:**

Dry and free from dust, temperature until 40°C max.

This declaration is stated using the knowledge of this moment. The person using the product is obliged to make sure that the product is used actually in compliance with the specific terms.

This declaration replaces all earlier declarations for the same products and remains valid until there are changes in the composition or specification of the product, changes in the law or new scientific information. At that moment we shall inform this information to our clients.
