Declaration of Conformity

Linköping Sweden 2026-09-22
Version 2, Validity 2 years

22 PAP

TIELMAN SWEDEN AB declares, under its own responsibility, that the products covered by this Declaration of Conformity, as listed below, are produced from the following:

- Greaseproof paper – only virgin fiber, FSC certified, produced in Sweden or Norway.

and that our manufacturing complies with the applicable requirements of the following standards/regulations:

- SFS 2006:804
- SFS 2006:813
- LIVSFS 2023:5
- BfR regulation XXXVI/2
- BfR recommendation XXXVI
- European Directive 94/62/EC
- EU Regulation 1935/2004
- EU Regulation 2023/2006
- EU Regulation 2025/40
- EU Regulation 2024/3190
- EU Regulation 1907/2006 (REACH)
- Arrêté Royal du 11 mai 1992 (Belgium)
- Code of Federal Regulations, FDA, 21 CFR Ch I (1 April 2024 edition), § 176.170, § 176.180.
- Division 23 of the Food and Drugs Act and Regulations, Section B.23.001 (Canada)

The products covered by this Declaration of Conformity are suitable for baking purposes and direct contact with dry, greasy and humid food stuff.

We guarantee:

- That our products retain color and stability in conventional ovens for 30 minutes at 220˚C and for long-term storage in freezer at -20˚C.
- That the incoming raw materials which we use in our production processes are from approved suppliers and meet the specifications and requirements based on tests or certificates of analysis.
- That the products are produced under wholesome conditions, meet the requirements concerning hygiene and are safe to be used in food processing.
- That the products are intended as packaging materials for food products for human consumption and are produced without addition of any substances of concern nor additives, including dual additives.
- That our packing is intact and secure enough to prevent any incident of cross-contamination from other raw materials.
- That our products are recyclable and biodegradable.
- That no mineral oils (MOSH or MOAH), fluorochemicals (PFAS), nanomaterials, Bisphenol A or phthalates are added in our products and that the sum of lead, cadmium, mercury and hexavalent chromium does not exceed 100 mg/kg.

Tielman recommends that the baking cups to be used in automatic de-nesting equipment are used within 12 months. Cups that are stored for a longer period may risk changing in shape, which may result in a wider top diameter. There is no expiry date due to any hygiene or food safety issues.
