

# POPY

«POPY: a design lamp that combines the mix of materials: aluminum and glass.»

## ERGONOMIC

### On measure lighting

POPY has a Touch Sensitive (briefly press the sensitive button on the base to choose the lighting color: long press to adjust the brightness) to adapt its lighting to different activities and daily tasks:

- Working
- Reading
- Relaxing

POPY allows its user to benefit from customized lighting.

## DESIGN AND FUNCTIONAL

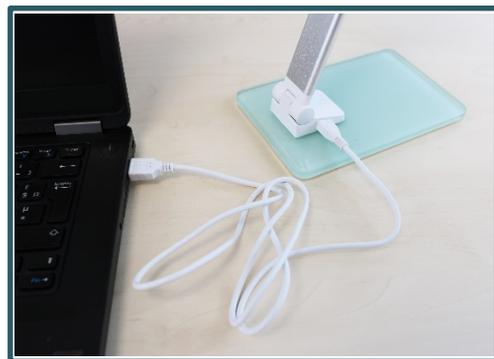

### Uncluttered lines

POPY is distinguished by a design with fine and clean lines. In addition to its classic driver, POPY can also connect directly to a USB port (cable included).

## THE PRODUCTS ADVANTAGES

### Beautiful finishes at a competitive price

Thanks to its glass base, POPY offers excellent stability. With its arm and aluminum head, this lamp offers a very good price / quality ratio.

## DIMENSIONS

## TECHNICAL FEATURES

### Materials

Arm and head in aluminium

Base in glass

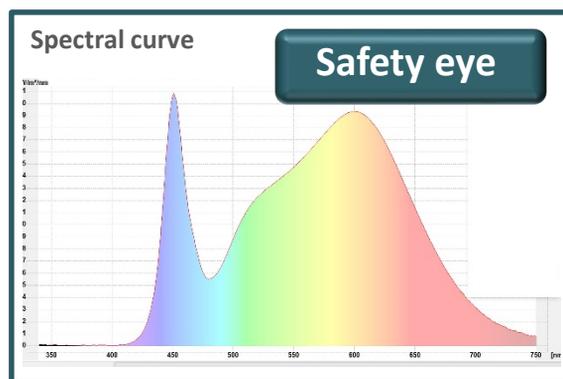

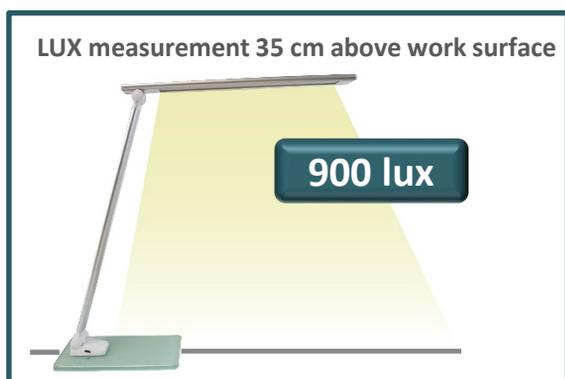

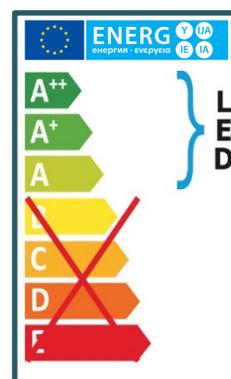

### Source

LED built-in\*: rated power 5W

\*cannot be replaced

### Driver

Removable on USB
