NELLY

« NELLY: the wireless lamp that will accompany you everywhere".

NOMADIC

Battery lamp

NELLY can connect to the USB port of a computer or a USB wall outlet, but can also be used as a wireless lamp that can be placed anywhere you want, office, meeting room, table. (Wireless use of full charge = 4hrs on maximum intensity, 7hrs on medium setting and 9hrs on mini setting).

ERGONOMIC

On measure lighting

NELLY has a Touch Sensitive: briefly press the sensitive button on the base to choose the lighting color: long press to adjust the brightness. NEELY allows its user to benefit from customized lighting.
DIFFUSION

Flexible and stable

Thanks to good stability you can adjust the lighting direction at any angle by orienting the flexible arm. The flexible arm is made of metal and wrapped in smooth silicone, durable and safe for children.
