

SENZA 2

«Senza, a design lamp very pleasant to use: wide range of motion and fluidity of movements.»

ERGONOMIC

On measure lighting

SENZA 2 is equipped with a very efficient LED lighting. Tactile dimmer switch located on the base makes it possible to adjust the 3 lighting intensities and colour temperature dimmer that correspond to different activities.

DESIGN

In the office or at home

The thickness design of the head and the slenderness of the arm give the SENZA 2 lamp pure and original lines. The lamp is perfectly suitable both for the office and for home.

GREAT SIZE RANGE

And flexibility

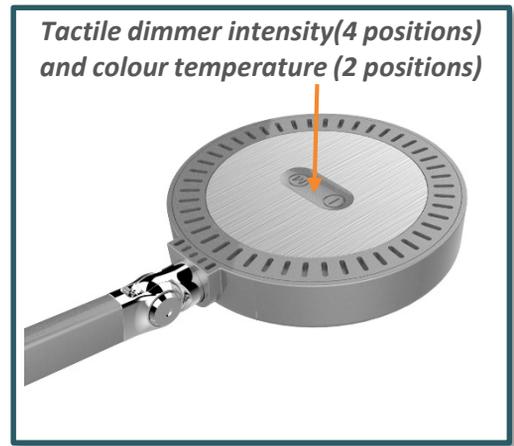

Senza 2 offers a wide range of adjustment thanks to its double arm with 3 articulations, fitted with compensation springs enabling perfectly fluid movements. The lamp swivels at 360° on the base, and the head can be moved in every direction.

Very large range of motions
