

Xerox® Recycled Supreme 100%

Laser, copier and inkjet printing

The premium quality Xerox® recycled paper designed to deliver outstanding performance in laser and inkjet printers is ColorLok certified. Produced from 100% selected post consumer waste and chlorine free bleached to create an excellent whiteness. Its high smoothness and opacity ensure great looking documents. With FSC® recycled and EU-Ecolabel certifications, and also CO2 compensated through the financing of climate projects, this paper has a high environmental profile to support your company's focus on sustainability.
