

Air

Product information

Air sofa series with a wooden frame and foam cushions. Clean, straight legs in metal or ash. The modules are available as 1-, 2- and 3-seaters, a corner unit, a curved model, and armrests.

Air is a comfortable and easy-to-place sofa available in a wide range of variants and can be combined to suit different needs. The sofas can be arranged together to create large social seating areas, or placed as a stand-alone piece, for example in a corridor.
